

## Acetone

### DANGER

Highly flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness. Repeated exposure may cause skin dryness and cracking.

### PREVENTION

Keep away from heat, sparks, and open flames. — No smoking. Keep container tightly closed.

Avoid breathing vapors. Use only outdoors or in a well-ventilated area. Wear eye protection.

### RESPONSE

**If on skin:** Rinse skin with water.

**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a doctor if you feel unwell.

**If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

**In case of fire:** Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide for extinction.
